Hortimat - Vlotlaan 192, 2681
TV Monster, The Netherlands

T +31(0)174 38 71 10 E info@hortimat.com
W www.hortimat.nl

Liter counter	Included
Material	Stainless steel
Discharge conveyor	Various lengths, ask for the possibilities
Length	Depends on model
Width	800 mm
Height	1640 mm
Power supply	230 V, 1 phase, zero + earth, 50 Hz

Suitable for various types of buckets by means of changing clamp type and settings.

You can also add nutrients to the water with the Aquamatic. The Aquamatic is easy to operate by means of the PLC control system.

How it works:

You place the stack of empty containers into the Aquamatic, after which the Aquamatic takes over all the work for you. Automatic destacking, filling and discharging of the buckets.

Hortimat customizing work

Hortimat can design the offered machine to exact the customer requirements. Optionally we constructively adjust the machine or we install new operating systems. We also deliver tailor made solutions in the form of logistic conveyor belt systems and we think along with the customer for custom made solutions.

Why Hortimat

- + Adapting / modifying of used machines to desired specifications of the customer
- + Applying of new 2023 operating systems on used machines
- + New Hortimat range of products
- + Service and warranty by own technical specialists
- + Solid revision; guarantees a long lifetime
- + Individual advice about logistics matters, such as: grading machines, processing areas
