

Saw blade sharpened left or right

brandnew

Specifications

Code	K26406
-------------	--------

Saw blades sharpened left or right, with different diameters and different sizes of mounting holes. Ask for the desired size or other characteristics and/or current stock.

Hortimat customizing work

Hortimat can design the offered machine to exact the customer requirements. Optionally we constructively adjust the machine or we install new operating systems. We also deliver tailor made solutions in the form of logistic conveyor belt systems and we think along with the customer for custom made solutions.
